## Bridge Builders 1 Camp Summer 2020

Bridge Builders 1 is social skills program for highly verbal children 3-4 years of age, but who have challenges in social communication, emotional regulation, social conversation, and play skills. Camps will be theme-based by week, and will focus on improving social communication and play skills with peers. Campers will also receive instruction in social cognitive skills such as understanding thoughts & feelings, emotional regulation skills, social conversation, making friends, & coordinated joint play. Curriculum will also include elements of Social Thinking™ by Michelle Garcia Winner.

Each camp class will be led by a certified speech-language pathologist and supported by graduate students in speech-language pathology from the UTD-Callier Center for Communication Disorders.

Class size will be limited to 6 children.

**WHEN:** Classes will be held Monday through Thursday from 9-11:30 am  
**WHERE:** SCC Clinic, located at 4600 Greenville Ave, Suite 160, Dallas, TX 75206
