

Bridge Builders II Summer 2021

Bridge Builders II is a small group social communication and social skills program designed for 5- to 6-year old children looking to gain the necessary skills to be socially successful in kindergarten. “Right Fit Builders” are highly verbal, but who continue to demonstrate challenges with social conversations and interactions with peers. Skills developed will include social conversation with peers, conflict resolution, participation in group activities, and coordinated joint play. Curriculum will also include instruction in social cognition and elements of Social Thinking™. Each class will be led by a certified speech-language pathologist and may also be supported by graduate students in speech-language pathology from the UTD-Callier Center for Communication Disorders.

Class size will be limited to 6 children. Bridge Builders enrollment is offered one- to two-times per week for 2 summer sessions. Enrollment in either or both sessions is welcome, pending availability.
