

# Building Blocks II

## Summer 2021

Building Blocks II is a small group program designed for verbal 3- to 5- year old children with difficulties in language, sensory/emotional regulation, and/or social communication development. Grounded in the SCERTS model and incorporating a variety of evidence-based practices, our daily schedule includes typical preschool activities such as circle time, center time, snack, art/sensory play, and gross motor play on our indoor playground. Skills developed during activities include developmentally appropriate speech and language targets, participation in group activities, joint play, and the building blocks to emerging social conversation. Building Blocks II camps will also incorporate beginning social cognitive concepts, including elements of Social Thinking™ by Michelle Garcia Winner.

Each class will be led by 1-2 speech-language pathologists, and supported by graduate students in speech-language pathology from the UTD-Callier Center. Class size will be limited to 5 children. All summer “camp” sessions are 4 mornings per week, Monday through Thursday, from 9:00-11:30 am. Classes are held at the SCC Clinic, located at 4600 Greenville Ave., Suite 160, Dallas, TX 75206.

\*Please note: If you are a new client to SCC, we require a recent speech-language evaluation (within past 6 months) and a 30-minute intake consultation (\$75) to occur prior to camp to assure placement in the correct group, and to set appropriate targets for your individual child for his/her time in camp.

Building Blocks enrollment is offered for 3 summer sessions. Enrollment in any and all sessions is welcome, pending availability.

Session	Dates	Tuition
1	June 1 – July 1	\$3,325
2	July 6 – July 15	\$1,225
3	July 19 – August 12	\$2,800

Building Blocks is a tuition-based, private pay program. While we do not submit to insurance companies, your tuition may be reimbursable by your insurance company under your out-of-network benefits for group speech-language therapy (CPT code: 92508). We encourage you to contact your insurance company with any questions.
